SUMMARY

Detail-oriented and versatile freelance professional with expertise in Graphic Design, Web Full Stack Development, and Penetration Testing. Seeking a challenging remote internship in cybersecurity to leverage my diverse skill set in securing digital assets, developing robust web applications, and applying creative problem-solving in a dynamic and collaborative environment.

WORK EXPERIENCE

FULL STACK WEB DEVELOPER
Freelance
2020-06 - Present

Responsibilities:

- Develop features and improvements in a secure, well-tested, and performant way.

- Ensure high-quality graphic standards and brand consistency.

- Participate in the entire application lifecycle, focusing on coding and debugging.

- Write clean code to develop functional web applications.

- Collaborate with Back-end developers to integrate user-facing elements with server-side logic.

- Gather and address technical and design requirements.

GRAPHIC DESIGNER
Freelance
2022-01 - Present

Responsibilities:

- Collaborate with the team to ensure consistency of designs across various media outlets.

- Create compelling and effective logos, designs, print and digital media.

- Maintain awareness of current industry and technology standards, social media, competitive landscape and market trends.
